

# LEAVERS' UNIVERSITY DESTINATIONS 2017

This map shows the current destinations of the 123 leavers who left in 2017.

Currently, 116 students are placed in university (79% Russell Group). Two of these students are doing an Art Foundation course. Two students have secured an apprenticeship and five students are taking a gap year and are likely to apply/reapply next year (some of whom had been awarded places at university but wanted to change).
